

### **Details of events:**

Hospital visit was organised by Sandip Institute of Pharmaceutical Sciences at Dr. Vasant Rao Pawar Medical College , Hospital & Research Center on 6th December for first year diploma pharmacy student. The main objective behind the visit was to make student aware about hospital organization, so student could understand management and working of hospital. Students were guided by Mr. Ravi Sonawane and colleagues about how a hospital functions, starting from the casualty ward, ICU, medicine dept. emergency dept. and an operation theatre.
