

REPORT OF BLOOD BANK VISIT

Sandip Institute of Pharmaceutical Sciences, Nashik has organised an educational visit to Blood bank for First year B.Pharmacy students on 22/04/22 at Dr. Vasant Rao Pawar Medical College, Hospital & research Centre. Objective of the visit was to create awareness in students for Blood Banking procedures. Prof. Ashwini Shelke, Prof. Nilesh Nikam & Office staff Pankaj Deore mentor students during visit. The visit was informative, as a record of 93 students participated in it. It was a 2 hours visit which started at 12:00 p.m. Mr. Manish Saraf and his colleagues gave information about storage, equipments used, RDP, SDP, different blood groups, detail about rare blood group, information about blood, Information about Blood Donation, Procedure about Blood Donation, How Blood Is donated to the person, product packing, separation of blood products, labelling, demotions, colours used of denotations. They learn how a single unit of whole blood can be separated in 3 different components such as **PLASMA**, **PLATLET**, and conc. **RBC** and can save 3 lives. The students asked questions/queries to the guides and they answered all of them. The students were very happy after this visit and they got ample knowledge about Blood banking and the guidelines given by them are really very important for their future aspects.
