

Faculty Name: Mr. Hemant Uttamrao Chikhale

Designation: Assistant Professor

Mail ID: hemant.chikhale@sandippharmacy.org

Contact No: 9405211956

BIO:

Mr. Hemant Uttamrao Chikhale is an Assistant Professor in the Dept. of Pharmaceutical Chemistry, Sandip Institute of Pharmaceutical Sciences, Nashik. India. He completed his master's in pharmaceutical chemistry from SPPU and is currently pursuing his doctorate in the field. His research interest is Insilico Chemistry, Molecular Docking, Synthesis, Knowledge of Online tool for Identification and Characterization of NCE. He has spoken orally at the "International Conference on Pure and Applied Chemistry" (**ICPAC-2018**) in **Mauritius** and the "International Conference on Carbon Capture and Its Utilization" held at the International Center of Excellence **CSIR-NCL-Pune**. He Has Published More Than 15 Research and Review Paper in Peer Reviewed National and International Journal of Repute. He Is An Author of More Than 8 Books; He Has 1 Patent To His Credit.

Qualification:

1. B. Pharmacy
2. M. Pharmacy
3. PhD (Pursuing)

Paper/Book/Book Chapter Publications details:

- | | |
|-------------------------------------|------|
| 1. National / International Journal | : 08 |
| 2. International Conference | : 03 |
| 3. Book | : 08 |
| 4. Book Chapter (International) | : 01 |

Area Research Work:

1. Synthetic and Insilico Chemistry
2. NCE Characterization by online available tool

Experience:

1. Teaching experience : 10 years
2. Industrial experience : Nil

Subjects:

1. Pharmaceutical Analysis-I
2. Biochemistry
3. Pharmaceutical Inorganic Chemistry
