

**Faculty Name: Dr. Sarika Maruti Kamble**

Designation: Associate Professor

Mail ID: [sarika.kamble@sandippharmacy.org](mailto:sarika.kamble@sandippharmacy.org)

Contact No: 9850115505

**BIO:**

**Dr. Sarika Maruti Kamble** is an Associate Professor in the Dept. of Pharmacology, Sandip Institute of Pharmaceutical Sciences, Nashik. India. She completed her master's in Pharmacology from SPPU and Ph.D. from NMU. Her research interest is Anticancer, Molecular mechanism, Organ Protection, Antioxidant pathways, Drug induced toxicity. She has spoken orally in the various International conference. She has published more than 10 Research and Review Paper in Peer Reviewed International SCI indexed of journal. She is awarded with the Women Scientist award for the project entitled as "Preclinical evaluation of pentacyclic triterpenoids as an adjuvant to chemotherapy" with project cost 20, 60, 000/-. She is also completed one minor project of BCUD from SPPU with project cost of 3, 00, 000/-. Recently she is shortlisted for the RGSTC research scheme with project cost 4, 50, 000/-.

**Qualification:**

1. B. Pharmacy
2. M. Pharmacy
3. Ph.D.

**Paper/Book/Book Chapter Publications details:**

- |                                 |      |
|---------------------------------|------|
| 1. International Journal        | : 10 |
| 2. International Conference     | : 04 |
| 3. Book                         | : 00 |
| 4. Book Chapter (International) | : 01 |

**Area Research Work:**

1. Anticancer, anticancer induced organ toxicity and its molecular pathways
2. Phytoconstituents, antioxidant and redox signaling

**Experience:**

- |                                  |                                 |
|----------------------------------|---------------------------------|
| 1. Teaching experience: 13 years | 2. Research experience: 3 years |
|----------------------------------|---------------------------------|

**Subjects:**

1. Pharmacology
2. Biostatistics and Research Methodology
3. Pathophysiology
4. Human Anatomy and Physiology
