**Event Coordinator:** Mr. Amit Gaikwad

**Committee Members:** Mr. Amit Gaikwad, Ms. Chetana Shinde, Mr. Nilesh Nikam, Ms. Sakshi Chaudhari

**Theme of Programme:** Hospital visit at Dr. Vasantrao Pawar Medical College, Hospital & research Centre.

**Time:** 11.00am – 1.30pm

Sandip Institute of Pharmaceutical Sciences, Nashik has organised a hospital visit for Second year D. Pharmacy students on 18/10/22 at Dr. Vasantrao Pawar Medical College, Hospital & research Centre.

Objective of the visit was to create awareness in students for Blood Banking procedures. Prof. Amit Gaikwad, Prof. Chetana Shinde, Prof. Nilesh Nikam & Prof. Sakshi Chaudhari mentor students during visit. The visit was informative, as a record of 47 students participated in it. It was a 2.30 hours visit which started at 11:00 a.m. Mr. Sachin Gunjal and his colleagues gave information about storage, equipments used, RDP, SDP, different blood groups, detail about rare blood group, information about blood, Information about Blood Donation, Procedure about Blood Donation, How Blood is donated to the person, product packing, separation of blood products, labelling, demotions, colours used of denotations. They learn how a single unit of whole blood can be separated in 3 different components such as plasma, platelet, and conc. RBC and can save 3 lives.

Student visits to different departments like OPD department, ICU ward. Student also visits yellow, red and green zone. Students observed various machines like MRI, CT scan and X-Ray.

The students asked questions/queries to the guides and they answered all of them. The students were very happy after this visit and they got ample knowledge about

Blood banking and the guidelines given by them are really very important for their future aspects.
