Details:

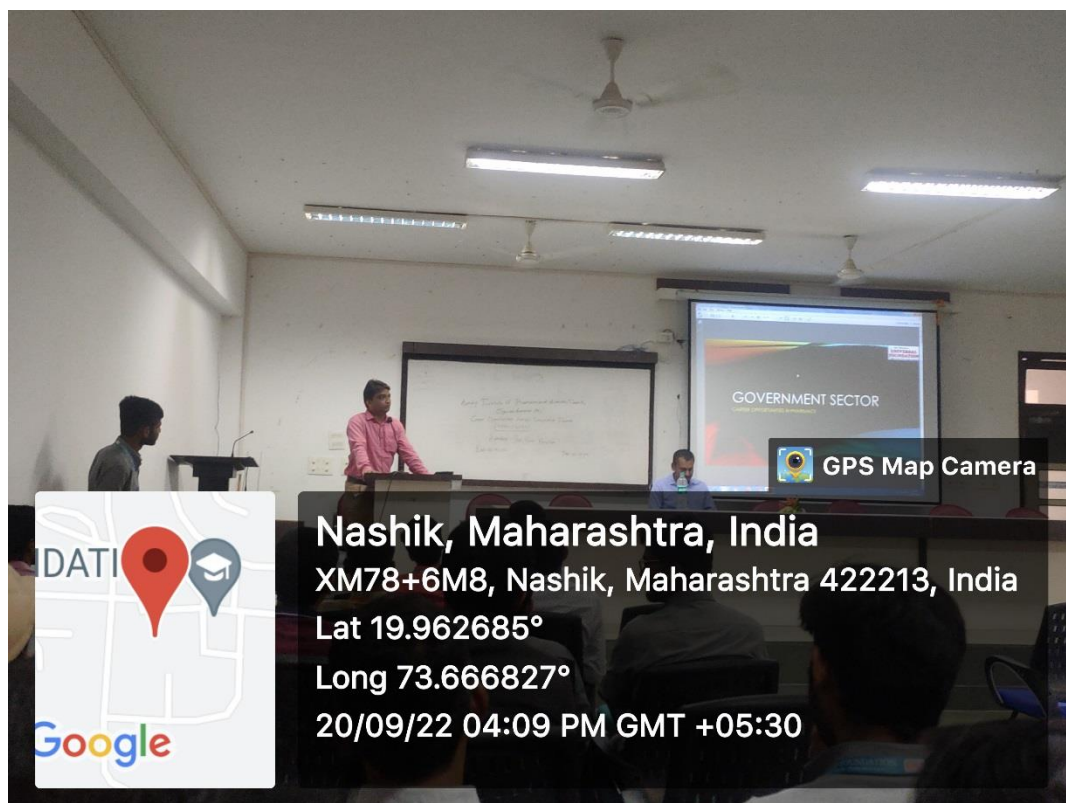

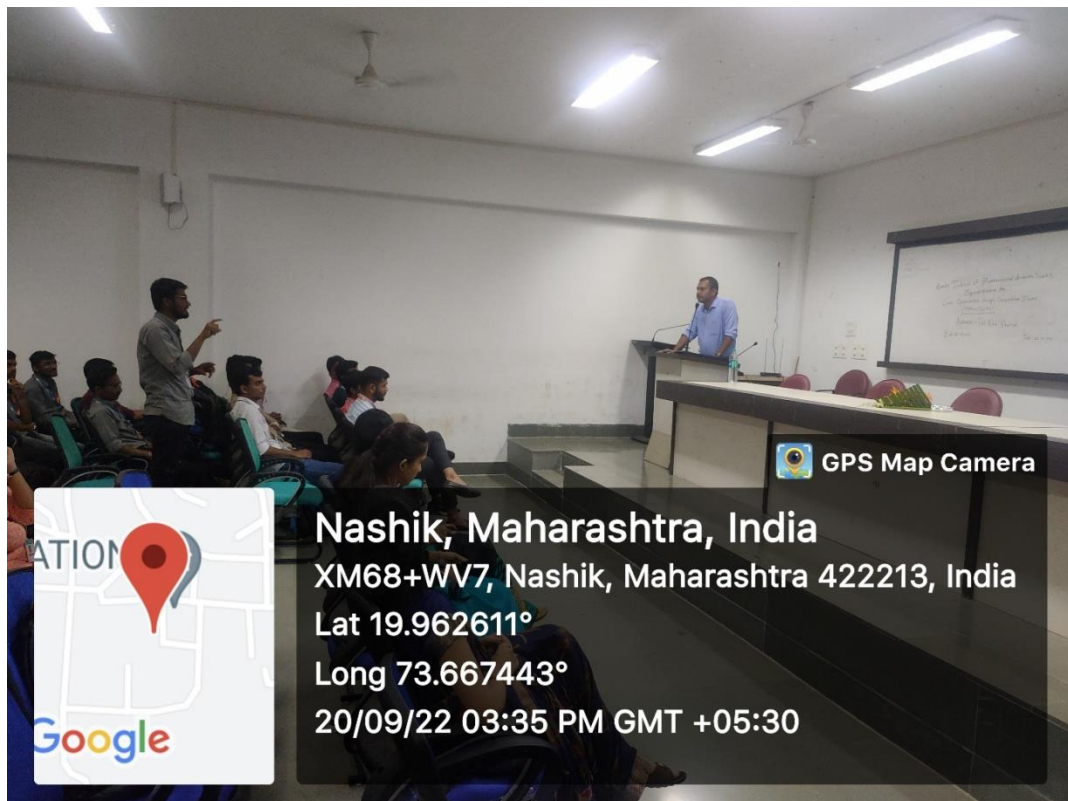

Sandip Foundation's, Sandip Institute of Pharmaceutical Sciences has organised an interactive sessions on “Career Opportunities through Competitive exams (MPSC/UPSC)” on 20th September 2022.

The session was began with the introduction and welcome of Prof. RamKhairnar, Director of Universal Foundation. The session was then continued by Prof. RamKhairnar who initiated with an introduction of MPSC Service exam. Sir, told the students the detailed exam pattern and strategy to crack MPSC Service Exam. The detailed syllabus of the exam and how to begin the preparation for the examination was explained by the speaker. The speaker then discussed the three phases of the examination including Prelims, Mains and Interview with the students in brief.

Sir, also told proper schedule is necessary for preparation of exam. Prof. RamKhairnar told the best way to start the preparation of the exam is to go through the previous question papers. He also said there are lots of distraction to everyone while studying and the only way to keep away the distraction is the dedication to success. He also said everyone should inspire their friends and support each other in preparation by group study, solving puzzles etc. At the end, the speaker also told students career opportunities in government sector for pharmacy students. After that the resource person responded to the audience's queries. The session

ended with the hearty thanks to Prof. Ram Khairnar by co-ordinator in appreciation for taking the time out for educating the students on how to prepare for competitive examinations.
