Description of event:

Sandip Foundation's, Sandip Institute of Pharmaceutical Sciences has organised an Online National Level Poster Making Competition on the Occasion of World Pharmacist Day 2022. Duration of poster submission was from 25th September 2022- 26th September 2022.

Objective behind conduct of this event was to generate publicity and provide information. To engage the community's interest in an issue, reveal community issues, and raise awareness of an issue in a way that is visual, inclusive and fun. Also organization of poster making competition was to bring out the creative expression of students and to gauge their knowledge and awareness of various trends in pharmacy. The aim of the Poster Making Competition is not just to judge the students based on their creative aspects but also to trigger thought process among the students towards recent trends in the field.

Prizes were distributed to the students with best posters. In that students from different colleges received that prize in the form of cash.
