### **Description of Session:**

74<sup>th</sup> Republic day was celebrated on 26<sup>th</sup> January 2023. Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj. The country marks it as a national holiday to commemorate the establishment of the Indian Constitution. Republic Day celebrates the adoption of the Indian Constitution. The Indian Constitution was adopted on 26th January 1950 and was made by the Drafting Committee. Though India became a free nation on August 15, 1947, it declared itself a Sovereign, Democratic and Republic state with the adoption of the Constitution on January 26, 1950.

Event started with flag hosting by vice chancellor SU, registrar SU and all Principals of Sandip group of institution. Vice chancellor SU delivered a talk about importance of celebration of this day. This was a very well organised event. Students actively participated in various cultural activities like dancing, singing and delivered speeches on nations and freedom fighters.
