Details about Programme

Day-1(11-01-2023)

An 'Orientation Programme' was organized to welcome the first year students of D. Pharmacy, B. Pharmacy and M. pharmacy, who were admitted to Pharmacy course at the institute. The students and parents had been welcomed by the Management and Principal Dr. L. B. Borse. The objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

Session 1:

Sandip Institute of Pharmaceutical Sciences successfully hosted the induction programme for first year students of D. Pharmacy, B. Pharmacy and M. pharmacy's inaugural for the academic year 2022-23 on January 11, 2023 at SIPS, Nashik. All the first year students and parents were present for this programme. Prof. Promod Karole, the academic facilitator of sandip foundation, Dr. Deepak patil, Principal SIEM, Dr. P. M. Dharmadhikari, Principal SP and Dr. L. B. Borse, Principal SIPS motivated the students with their inspiring words. Principal Dr. L. B. Borse welcomed the distinguished guest, the management, students, parents and faculty to Sandip Institute of Pharmaceutical Sciences and introduced the guests to the audience. Mr. Karole, was the chief guest of the induction program. He addressed the students and highlighted the importance of the pharmacy profession in improving the health and well-being of the society. He also shared his experiences and insights about the challenges and opportunities in the profession. Dr. Swati Talele gave a brief introduction about college.

Session 2

Topic: Introduction of Examination Pattern

In the afternoon, Dr. Vasim Pathan, CEO, SIPS conducted a session on examination pattern.

Session 3: College Visit

Departmental, Laboratory, Library, Administrative department visit were conducted by staff members with detail functioning of every department.

Day-2(12-01-2023)

Session 1:

SIPS celebrated Youth day on swami Vivekanand's birth anniversary in the presence of auspicious Prabhuji . The session aimed to guide the students about Swami Vivekananda's strategy and how it can help them in their personal and professional lives. The gurus shared their experiences and insights on various topics such as self-motivation, leadership, and goal-setting. In addition ISKON Youth minister Prabhuji Sukumar Gaur Das gave an excellent session on emotional control and stress management to the student's. Prabhuji explained some effective strategies for emotional control and stress management include mindfulness meditation, deep breathing exercises, physical exercise, setting realistic goals and priorities, practicing gratitude and positive thinking, and seeking support from friends, family, or a mental health professional if necessary. It's wonderful that Prabhuji Sukumar Gaur Das was able to share these valuable insights with the students, and hopefully, they will be able to apply them in their lives going forward.

Session 2:

In the afternoon, Dr. Nilesh Jejurkar Psychiatry, Civil hospital, Nashik conducted a session on gender justice and stress management.

Dr. Nilesh Jejurkar has focus on Gender justice and discuss about fair and equal treatment of individuals, regardless of their gender identity or expression. Further discussed promoting gender equality, challenging gender stereotypes, and addressing discrimination and violence based on gender. Onwards, Stress management, on the other hand, is a critical skill that can help individuals cope with the many challenges and pressures of daily life. By learning effective stress management techniques, individuals can reduce their risk of developing stress-related health problems, improve their overall well-being, and increase their resilience in the face of adversity.

Session 3:

Dr. Mohini Gurav , HOD, English and Language, sandip University delivered an interactive session on communication skills.

Dr. Mohini Gurav has discussed how good communication skills can help individuals to build strong relationships, resolve conflicts, and achieve their goals. In today's fast-paced and interconnected world, the ability to communicate effectively is more important than ever, and it's great to see that this topic was included in the event.

Overall, it sounds like attendees had the opportunity to learn valuable skills and gain important insights from these two sessions.

Day-3(13-01-2023)

Session 1: Sports Event

As a part of Induction program 2023 SIPS had organized the session about sport event dated 13.01.2023 conducted at college ground.

This event foster student to know various activities related to sport and through which student develop various skill which enable them to become the athlete.

This event was graced by Dr. Paresh Rege from Sandip University and Principal Dr. Laxmikant Borse.

Session 2: ERP Introduction

In the afternoon ,Mr. Pankaj Deore Sir gave information of ERP.

Session 3: Campus tour.

In campus tour, staff members provide a comprehensive overview of the campus, including its facilities, academic departments, student life, and culture at campus.

The programme concluded by giving vote of thanks to all Honourable guests, speakers, newly admitted students and staff members. The induction program provided a valuable platform for the new students to get acquainted with the college and its facilities. The program also provided them with information about the pharmacy profession and its various aspects. The students appreciated the efforts of the college in organizing the program and expressed their enthusiasm about starting their journey in the pharmacy profession.
