Report: - 4 Days Workshop on Soft Skill Development Program

Date: - 23/08/2023 to 26/08/2023

Time:- 02:00 pm to 05:00 pm

Venue:- SIPS, Nashik

Introduction:

We are delighted with a successful four-day workshop on Soft Skills Development organized in collaboration with Global Talent Track (Barclay) as part of our Corporate Social Responsibility (CSR) initiative. The aim of the workshop was to equip final year pharmacy students with the soft skills necessary to enhance their professional development. The workshop was conducted by Mr. Nilesh Borade who is a recognized expert in soft skills training.

Workshop Details:-

Prof Jeetu Lulla started the Program with a brief introduction and felicitation of Guest Lecturer Mr.Nilesh Borade and also Mr.Amit Manapure (TPO) by Dr.Laxmikant Borse sir (Principal, SIPS). The workshop lasted four days and covered a wide range of topics focusing on improving communication, collaboration and business development aspects.

Day 1: Verbal and non-verbal communication:

The workshop began with an in-depth dive into the importance of effective communication. Participants were taught verbal and nonverbal communication styles and their impact on interpersonal communication.

Day 2: Benefits of Communicating and Writing Emails:

Participants learned the many benefits of effective communication in personal and professional life. Additionally, they were introduced to the art of email writing, including the etiquette and appropriate tone of communication in writing.

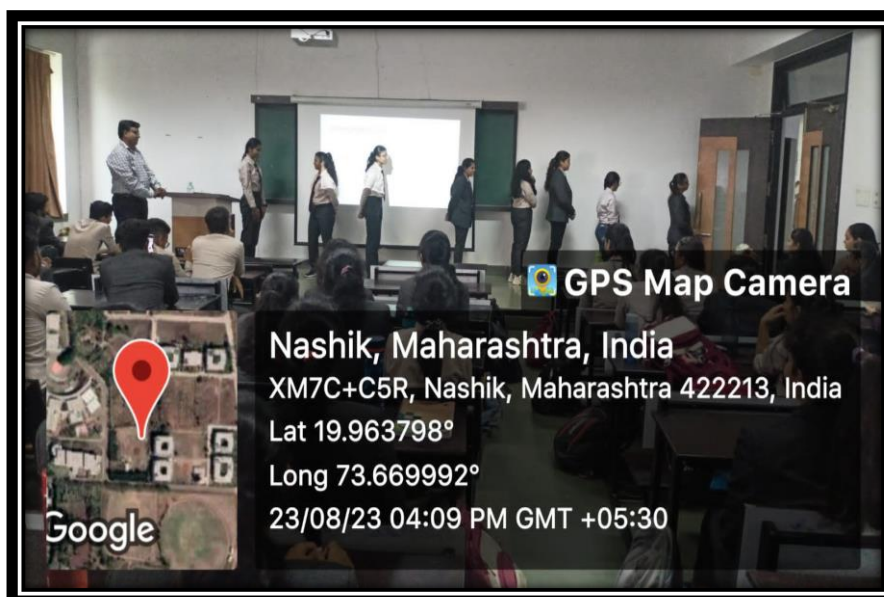

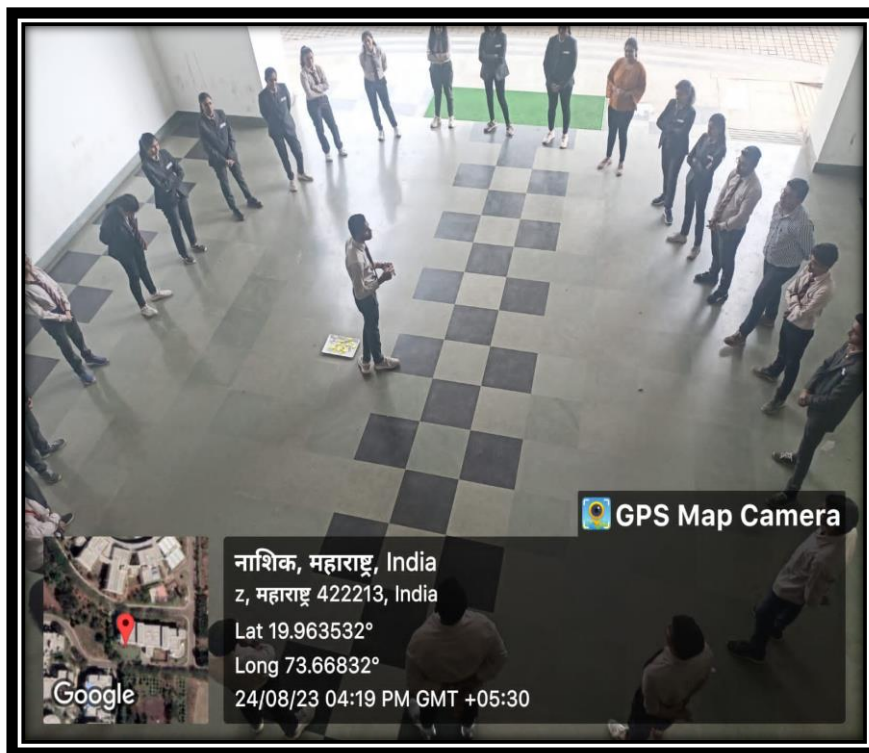

Day 3: Professional Networking and Resume Building:

This day was dedicated to learning the nuances of business transactions in different areas. Participants gained insight on how to create a strong resume that effectively highlights their skills and experience.

Day 4: Brain Training Activity and Interview Process:

The last day of the workshop began with interesting brain training activities. These activities, such as the balloon challenge and the reverse clap-and-say-name exercise, aimed to showcase the intricacies of human brain activity and highlight the importance of adaptability and critical thinking.

The workshop concluded with a highly interactive activity in which participants formed a circle and selected chits with topics. Each participant shared their thoughts on the chosen topic, encouraging impromptu speaking and quick thinking.

Interview Ethics and Question Session: Mr. Nilesh Borade concluded the workshop by imparting valuable insights into interview ethics, preparing participants for the professional world's challenges. He addressed common interview questions, offering guidance on how to respond effectively and confidently.

Conclusion: The Soft Skill Development Program was a resounding success, equipping final year Pharmacy students with crucial skills to thrive in their future careers. The combination of informative sessions, engaging activities, and Mr. Nilesh Borade's expertise created a well-rounded and impactful learning experience.

We extend our gratitude to Global Talent Track (Barclay) for their collaboration and to Mr. Nilesh Borade for his exceptional guidance throughout the workshop. We are confident that the skills acquired during these four days will contribute significantly to the students' personal and professional growth.
