Details:-

Sandip Institute of Pharmaceutical Sciences organised a guest lecture on Current Good Manufacturing Practices on the 10thOctober 2023.

The session was delivered by Mr. MilingJagtap, Sr. Manager, Blue Cross Laboratories, Nashik. The seminar emphasized the importance of adhering to cGMP guidelines in the pharmaceutical industry to ensure safety, efficacy and quality of drugs. Sir, also shared valuable insights into the latest advancements and challenges in the cGMP compliance.

Furthermore, Mr.MilindJagtap sir urged the students and staff to take pledge that they will maintain and improve the qualities of the medicines they manufacture and market in India and abroad. The pledge was taken as a part of the first National cGMP Day celebration of the pharmaceutical industry initiated by the Indian Drug Manufacturers Association (IDMA).

Lastly the session ended up with interactive open forum discussion. Indeed, it was an insightful session for both students and faculties, where the major learnings and takeaways were gathered by all.
