Event Name: Balashram Visit

Organized By: -Mr.Kalpesh Khaire, Mr. Jeetu Lulla

Time: - 11am to 2 pm

On a day filled with the spirit of giving and compassion, the Sandip Institute of Pharmaceutical Sciences organized a heartwarming visit to Balashram, an orphanage. This visit was organized with the active participation of NSS (National Service Scheme) students who lent their hands, hearts, and smiles to bring Diwali joy to the children residing at Balashram.

The NSS students played a crucial role in this initiative. They gathered gifts, packed them with care, and prepared for a day of interaction and celebration.

Upon reaching Balashram, the students engaged with the children in various activities. They shared stories, played games, and participated in interactive sessions. The atmosphere was filled with joy, laughter, and a sense of togetherness. The students interacted with the children, listened to their stories, and extended their heartfelt wishes for a happy Diwali.

In conclusion, the Balashram visit was a heartwarming and enriching experience for all involved. Sandip Institute of Pharmaceutical Sciences looks forward to more such initiatives in the future to continue making a positive difference in the community.
