## **First Aid and Cardiopulmonary Resuscitation (CPR) Training Program**

**Duration:** 03 hours

**Venue:** Seminar Hall, Mechanical Department, SITRC, Nashik

**Mode of Training:** Offline

The Sandip Institute of Pharmaceutical Sciences, Nashik, under the umbrella of Sandip Foundation, hosted a 03-hour Offline Training Program on First Aid and Cardiopulmonary Resuscitation (CPR) on February 08, 2024, in collaboration with Shwas Training Services, Pune. Dr. Akash Raut and Dr. Snehal Gade conducted the training program.

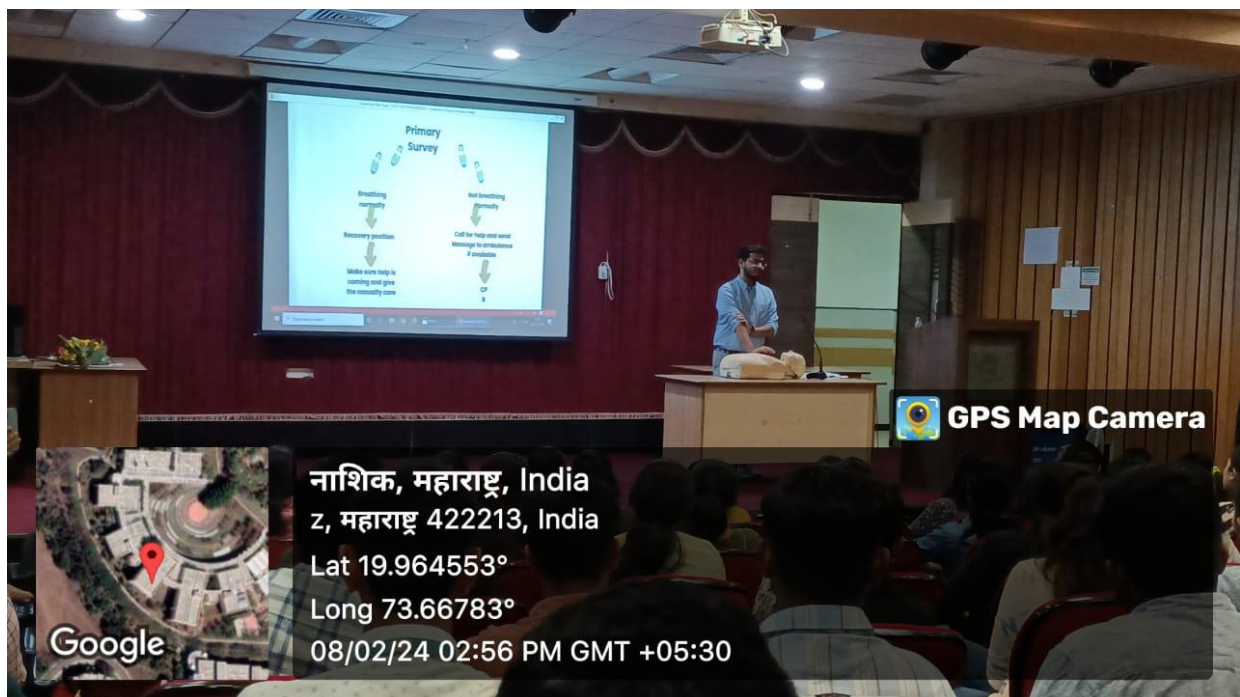

The inaugural session began with a warm welcome from Principal Dr. L. B. Borse, who provided insights into the institute and the students' keen interest in First Aid and Cardiopulmonary Resuscitation (CPR) Training Program. Subsequently, Prof. Shankar Yelmame, the program coordinator, introduced Dr. Akash Raut and Dr. Snehal Gade to the participants. Following the introduction, Dr. Akash Raut delved into her extensive knowledge, sharing insights on various aspects of First Aid and Cardiopulmonary Resuscitation.

CPR is a coordinated effort of a series of skills, such as chest compressions, rescue breaths, and Automated External Defibrillator (AED) usage regardless if the victim is an adult, child, or infant. Students who participated in this skill program gained the knowledge about primary surveys, cardiac incidents, and effective CPR delivery methods. Additionally, they got hands on training on manikin from professional trainers. Additionally, students acquired life-saving skills that could make a real difference in emergency situations. This program has proven beneficial for nearly 170 students. Prof. Shankar Yelmame concluded the session by expressing gratitude with a vote of thanks.

### Glimpses of the Program:

Felicitation of Guests by Principal Prof. (Dr.) Laxmikant Borse

Dr. Akash Raut guided the students on various aspects of CPR.

Dr. Snehal Gade has conducted hands on training to the students
