Event/Activity Report

Mr. Lalit R. Patil sir gave wonderful presentation on Infosys Springboard which brings digital and life skills for students from class 6 to lifelong learners in India. Infosys Springboard delivered free through Infosys CSR commitment to empowering 10 million-plus people with digital skills by 2025. It provides a holistic set of courses, developed in collaboration with world-leading digital educators like Harvard Business Publishing. Infosys Springboard is fully aligned with India's National Education Policy 2020. The Infosys Springboard learning program is particularly well-suited to grow vocational skills in addition to soft skills. Master classes, programming challenges, practice areas, and playgrounds for experimentation make the training immersive for all. The assessment formats that follow are new-age ready with certification for learners who pass the virtual proctored examination. Nearly 400,000 learners and 300+ education institutions, NGOs, and support groups are already on board Infosys Springboard. Wingspan is a

cloud-first and mobile-first solution that enables organizations to focus on training their talent of today, to be ready for tomorrow.

The Springboard platform allows learners to prepare for emerging jobs and careers. The programmed offers free online learning courses to promote development of technical skill needed in today's world.
