### Event/Activity Report

Sandip Institute of Pharmaceutical Sciences, Nashik has organised Blood Donation Camp on the occasion of National Service Scheme. The camp was organized with the collaboration Dr. Vasantrao Pawar Medical College, Hospital & research Centre, Adgaon, Nashik. All the donators filled out the form before donating blood. After that, the program started at 10 am. After that, a high-gradedoctor gave a speech on the advantages of blood donation.

The points are mentioned below:

- Blood Donation helps to reduce the risk of heart attack and cancer.
- Blood Donation helps to maintain a healthy liver.
- Donation of Blood, burns calories and helps in weight loss.
- Stimulates blood cell production.
- Prevents Hemochromatosis and helps to maintain iron levels.

Many students and college staff donated blood and became a part of the program. Before donating blood, everyone ate fruits and drank juice. The blood donation program lasted till 1 pm.
