Name of the expert/ Chief Guest of the event	Dr.Kalesh Khairnar and his team
Objective of the event	<ul style="list-style-type: none"> • Identify dental problems like cavities, gum disease, or oral cancer in early stages. • Educate participants about proper oral hygiene practices like brushing, flossing, and diet. • Provide free or low-cost dental checkups to underserved communities who might not otherwise have access to dental care.
Outcome of the event	<ul style="list-style-type: none"> • The camp promotes overall health and well-being in the community. • Creates a positive association with dental care, potentially reducing anxiety about future dentist visits.

Event/Activity Report

On the occasion of Birthday celebration of our Hon'ble Chairman Dr. Sandip N. Jha Sir, Sandip Institute of Pharmaceutical Sciences had organized free "Dental Check-up Camp" on Thursday, 14th July 2022 by Dr. Kalesh Khairnar a renowned dentist in Nashik. The programme was inaugurated by Dr. Kalpesh Khairnar. Further Dr. Kalpesh Khairnar, Dr. S. T. Gandhe, Principal SITRC, Dr. P. N. Patil, Principal SP and Dr. Dipak Patil, Principal SIEM were felicitated by offering lemongrass saplings. To carry function forward Dr. L. B. Borse enlightened the audience with the importance of organizing such an event in colleges. Then Dr. Kalpesh Khairnar talked about dental hygiene and about the food intake and daily routine they should follow to prevent dental disorders. The health camp was initiated and oral health services offered during the camp

include a preliminary dental check-up, advice to treat cavities and about implantation and more. Total 100 students and staff participated in this event. The program was concluded by vote of thanks.
