

International women's day

On occasion of International Women's day, Sandip institute of Pharmaceutical Sciences had organized an interactive talk on "Acne vulgaris and skin care" by Dr.Mansi Pawar, a renowned cosmetologist and dermatologist and Trichologist in Nashik. A programme was started with Ganesh vandana dance followed by lightening of holy lamp with saraswati puja. Then Dr.Mansi pawar took over the programme .The crux of her talk was best natural and proven methods for skin care. Dr.Mansi gave detail emphasis on various advanced cosmetic and aesthetic techniques like chemical peels, lasers, botox. She had also explained clinical dermatology and cosmetic dermatology dealing with Acne, acne scars, skin tightening, injectables, laser devices, hair loss, and anti ageing medicine. The session concluded by positive remarks about skin care enhancement. Thus making the session fruitful for all attendees.

Then Hon.Principal Dr.A.G.Jadhav conveyed his best wishes on occasion of Women's day. Through his speech he empowered all women's to reach more aspiring heights.

The programme concluded by fantastic performance of students of SIPS.
