## **Report on National Organ Day**

A National Organ Donation awareness programme was organized at the Sandip Foundation's Sandip Institute of Pharmaceutical Science in Nashik.

The program's guest was Dr. Sanjay Rakibe from Pune, a member of the ZTCC. He centered his address on the importance of organ donation where he focus on the need and the case studies, also in his talk he explain the process of transplantation of organ by mentioning the time period required for the transplant of organ which will be last long for at least 6hr from the removing of organ from body, he mention that Brain dead person is the key for removing the organ where consent from the relative should be taken, he mention the process of requirement and registration on NOTTO app for receiving the organ. The concept of a "green corridor" was highlighted by Dr. Rakibe and because of this the transplant of organ made easy to patient.

At the last of the program Principal Dr. Laxmikant Borse underlined the value of organ donation and urged the student to come forward and aware the society for the organ donation its implementation for betterment of life. Principal Felicitated Dr. Sanjay Rakibe by offering a bouquet and a trophy as a token of appreciation after his remarks.

At the end of the program, Dr. Sarika Kamble took a pledge on organ donation.

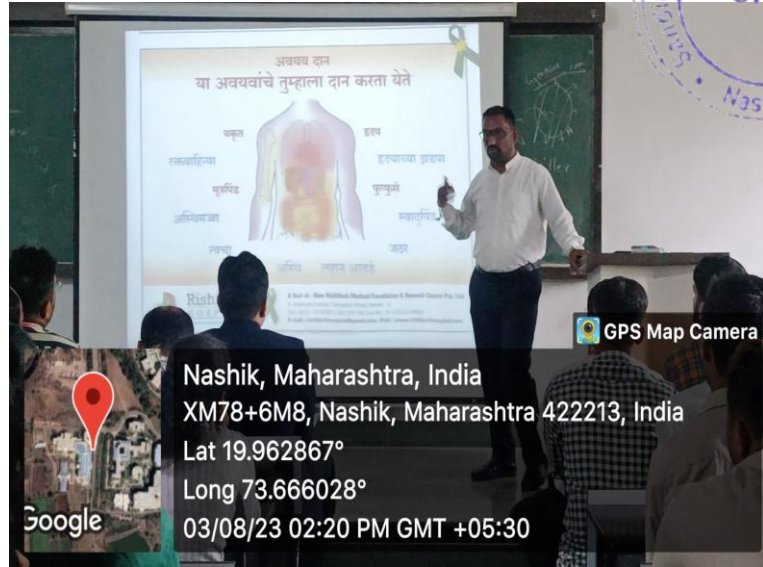

Prof. Hemant Chikhale, NSS Coordinator, assisted in coordinating the program's success.
