Details:-

Sandip Institute of Pharmaceutical Sciences celebrated the Sadbhavana Day on 20th August 2022, on account of birth anniversary of Prime Minister Late Rajiv Gandhi. Sadbhavana Day is marked with the objective to promote peace, national integration and communal harmony among all Indians. 'Sadbhavana' in English means goodwill. Sadbhavana Diwas promotes Rajiv Gandhi's vision of a developed nation, which he tried to propagate through different national and international projects. The message of this day is that people with different religions and beliefs should live peacefully in the country and eschew violence. This day aims to instill communal harmony, unity, brotherhood and love in the society at large.

The program was began with lamp lightening ceremony followed by motivational speech by Resp. Principal Dr. L. B. Borse Sir on the birth anniversary of youngest Prime Minister of the country. Sir talked about great contribution of Resp. Rajiv Gandhi to the development of the country also about announcement of a National Policy on Education in 1986 to modernize and expand higher education programs across India.

A pledge taking ceremony was conducted by Mrs. Shweta H. Shahare, Asst. Prof. along with staff and the students, regarding the importance of observing Sadbhavana Day by highlighting, it is to avoid violence and to promote good will among people. Thereafter, the pledge was led by her to students and faculty.
