### Event/Activity Report

Sandip Institute of Pharmaceutical Sciences organized guest lecture on 'Active listening for students of SIPS.

On 20/03/22, pharmacy students were privileged to attend an insightful guest lecture by Mr. Aijaz Najee, a distinguished freelance soft skill trainer associated with the National Board for Education & Development, Kolkata. Mr. Najee, an eminent personality with years of expertise, delivered a compelling lecture specifically focusing on the crucial topic of active listening. The event not only benefited pharmacy students but also included interactive practical sessions with children, creating a dynamic and enlightening atmosphere.

#### Key Highlights:

##### 1. Active Listening in Pharmacy Practice:

- Mr. Aijaz Najee centered his lecture on the significance of active listening in the pharmaceutical profession.

- He delved into the role of active listening in patient consultations, team collaborations, and effective communication within the pharmacy setting.

## 2. Practical Application for Pharmacy Students:

- The lecture seamlessly integrated theoretical discussions with practical applications of active listening for pharmacy students.
- Mr. Najee conducted hands-on exercises, case studies, and role-playing scenarios, enabling students to understand the real-world implications of active listening in their future careers.

## 3. Engaging Children in Active Listening Activities:

- To emphasize the universal applicability of active listening, practical sessions involving children were tailored to showcase its importance even in everyday interactions.
- Children participated enthusiastically in activities designed to promote attentive and empathetic listening, creating an atmosphere of joy and interactive learning.

### Outcomes:

#### 1. Mastering Active Listening Skills:

- Pharmacy students gained a comprehensive understanding of active listening, mastering skills that are essential for effective patient communication and collaboration with healthcare teams.

#### 2. Positive Impact on Children's Communication Skills:

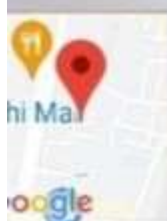

- The inclusion of children in active listening activities not only added a unique perspective but also fostered positive communication habits at an early age.

#### 3. Holistic Learning Experience:

- Mr. Aijaz Najee's expertise in the realm of active listening provided both pharmacy students and children with a holistic learning experience, emphasizing the universal importance of this soft skill.

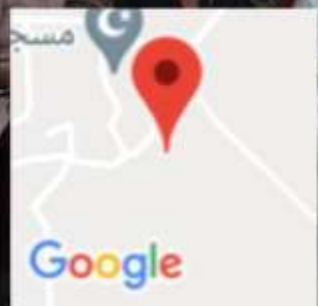

**Conclusion:** The guest lecture by Mr. Aijaz Najee on active listening proved to be an enriching experience for pharmacy students, offering practical insights into a skill crucial for their future professional endeavors. The interactive sessions with students added a delightful and educational dimension to the event.
