Details:

10th October 2022 Monday, 'Sandip Institute of Pharmaceutical Sciences' (D.Pharm) took a great initiative to plant trees in the college campus. This is an important step of afforestation to maintain the environment. It was held at afternoon 2:00 pm. The teachers reported the site on time and were given approximately 25 sapling of the trees which were managed by the college. The teachers planted the trees along with the principal himself too went for the plantation.

All teachers were given sapling to plant them along the Sandip Foundation Campus, which could resist the pollution. The principal Dr. L.B.Borse sir expressed the importance of planting trees and saving nature. The teachers were also asked to share their feeling after planting trees. Lastly, a group photograph was taken with everyone present in the event of the plantation. The event ended at 3:30 pm.
