Name of Event: " Parents Meet for A.Y.2022-23"

Date of Event: 8th October 2022

Type of the Event: Meeting

Name of Event Coordinator: Prof. Swati Pawar

Venue: T.E Classroom B-Building ,SITRC.

Audience: Parents Students of SE, TE and BE.

Objective: The main objective of the Parents' Meeting was to enhance communication between the college and parents, providing a platform to discuss students' academic and extracurricular progress, address parental concerns, and introduce new initiatives aimed at supporting holistic student development.

Highlights from the event: The Department of Electronics & Telecommunication Engineering organized Parents meet on 8th October 2022 Saturday, on 11.00am to 12.30pm.The main objective of this meeting is teachers can interact with the gathered parents, and share his or her progress with them and also discuss about their attentiveness in classroom with students test result. Introducing the college via a PowerPoint presentation, Prof. Swati Pawar spoke to the assembled parents. This PowerPoint presentation is meant to inform parents about the different amenities that colleges offer and how an accepted student can use those resources to further themselves both academically and personally throughout their time there. She also discussed the several career options open to TE and BE students upon completion of their engineering education. Following this session, parents in attendance spoke with the class instructor about their child.

Outcome: The outcome from this event is it strengthened the relationship between parents and the college, fostering a sense of collaboration and shared responsibility for students' success. Parents gained a clear understanding of their children's academic and extracurricular performance, along with actionable insights on how to support their growth.
