ABOUT SANDIP INSTITUTE OF PHARMACEUTICAL SCIENCES (SIPS)

Sandip Foundation's Nashik campus, established in 2005 under the visionary leadership of Dr. Sandipkumar Jha, stands as a beacon of excellence in education. Dr. Jha, a renowned educationalist, aimed to provide youth with world-class infrastructure and facilities. Spanning over 350 acres in the picturesque, eco-friendly environment off Trimbak Road (Mahirawani), Nashik, our campus offers a serene and conducive atmosphere for holistic student development.

Sandip Foundation offers a wide array of full-fledged courses and training facilities, including Pharmacy, Polytechnic, B.E., M.E., Ph.D. in Engineering, and MBA.

As part of Sandip Foundation's vision, the Sandip Institute of Pharmaceutical Sciences (SIPS) was established in 2011. SIPS is approved by AICTE and PCI and is affiliated with Savitribai Phule Pune University. Our institute is dedicated to becoming a leader in the noble profession of pharmaceutical sciences.

At SIPS, we offer Diploma in Pharmacy, Bachelor of Pharmacy and Master of Pharmacy programs with specializations in Pharmaceutics and Quality Assurance Techniques. Our curriculum is meticulously designed to educate students in research principles and techniques through comprehensive coursework and supervised experience.

With our top-tier infrastructure and exceptional human resources, we proudly uphold our motto: "Sandip Foundation, Faculty and Facility Simply World Class! **"Recently accredited by NAAC A+ with CGPA 3.37"**

VISION

- » To be a leader amongst Pharmacy organisations in India, constantly pursuing excellence, and offering world class education with values.

MISION

- » To provide a dynamic educational experience to a high-achieving, high potential student body, thus empowering them to translate scientific knowledge into fruitful research.
- » To develop and advance the core competencies, team spirit and professional skills that can meet the necessity of pharmaceutical industry.
- » To develop centre of excellence encouraging interdisciplinary research to engender world-class technocrats and advance entrepreneur.
- » To create an ideal pharmacist responsible for excellent patient care and contribute toward health care system for wellbeing of society.

CORE VALUES

- » Innovation and excellence in research, practice and education.
- » Believe in honesty, freedom and fairness.
- » Accountability for its actions, transparency and insight in the working of the organisation.
- » Service to our communities in City, State and throughout the World.
- » Students as key stakeholders.
- » A focus on patient-centred care.
- » A strong partnership with the profession for the advancement of Pharmaceutical Sciences.
- » An inter-professional approach to create change in our healthcare systems to benefit patients.
- » Leadership and collaboration in all of our work.
- » An orientation to the future.
- » Observe laws and ethics, and strive to grow in harmony with society and for the benefit of its development.

CHAIRMAN'S MESSAGE

Welcome to Sandip University & Foundation, where our dream of creating a premier research-led, technology-powered institution has become a reality. We are dedicated to transforming students into future-ready professionals through world-class education and cutting-edge technologies.

At Sandip University & Foundation, we embrace innovative fields such as Artificial Intelligence, Robotics Engineering, Genetic Engineering, Augmented Reality, Intelligence Amplification, Biotechnology, Nanotechnology, and Cloud Computing to ensure our students are prepared for the challenges of the 21st century. Our commitment aligns with the Government of India's Digital India and Skill India initiatives, making us a crucial part of this educational revolution.

Join us at Sandip University & Foundation and embark on a journey of excellence, shaping your future and making a global impact

Dr. Sandip N Jha

Chairman, Sandip Foundation, Nashik

MESSAGE BY ACADEMIC FACILITATOR

I am happy to publish the first issue of the e-bulletin for the year 2024. We are heading forward with the vision to develop optimistic, dedicated, endowed and ethical pharmacy professionals to accomplish healthcare needs of the society. I am confident enough that our team is putting their efforts in providing quality education. We are also committed for the overall personality and soft skill development of the students. I consider my team as my partners and we offer them ownership of their respective areas. This approach gives freedom to work and ultimately, we get fruitful outcome. This e-bulletin is a replica of the success story of our faculty and students. I appreciate all the faculty, students, supporting staff for the successful events, and achievements in the last 4 month

Dr. Pramod Karole
Academic Facilitator

PRINCIPAL'S MESSAGE

Welcome to Sandip Institute of Pharmaceutical Sciences, where excellence meets innovation in pharmaceutical education, research, and practice. Located in the vibrant city of Nashik, our institute is dedicated to providing a holistic learning experience that equips students with both theoretical knowledge and practical skills. Our distinguished faculty, state-of-the-art facilities, and commitment to fostering a culture of innovation and research excellence ensure our graduates are prepared to excel in their careers and make significant contributions to global healthcare. Join us in our mission to redefine the future of pharmacy education and impact the world positively

Dr. Laxmikant B. Borse
Principal, SIPS

EDITOR MESSAGE

“

In today's rapidly evolving landscape of pharmaceutical education and research, the role of knowledge dissemination has never been more critical. As the Editor of this e-bulletin, it is my privilege to bring you the latest updates, achievements, and innovations from within the vibrant community of our pharmaceutical college.

”

Dr. Kamlesh Dandagavhal
Developmental Editor (e-Bulletin)
Asso. Prof, SIPS, Nashik

“

As pharmaceutical education and research continue to advance at an unprecedented rate, the dissemination of knowledge has become more important than ever. It is an honor, as the editor of this e-bulletin, to share with you the latest achievements, insights, and pioneering efforts from our dynamic pharmaceutical college.

”

EDITORIAL BOARD

Dr. Laxmikant B. Borse
Chief Editor (e-Bulletin)
Principal, SIPS, Nashik

“

In the fast-paced world of pharmaceutical education and research, sharing knowledge is essential to staying ahead. As the editor of this e-bulletin, I am excited to present the most recent developments, successes, and cutting-edge innovations from our thriving pharmaceutical college community.

E-WASTE COLLECTION DRIVE

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) is teaming up with Techeco E-waste Management for a special E-Waste Collection Drive! This strategic collaboration aims to address the pressing issue of electronic waste and commendable journey towards environmental responsibility as rapid advancement of technology has led to a significant increase in electronic waste, posing environmental and health hazards. Recognising this challenge, SIPS has taken proactive steps to mitigate its environmental footprint and set a precedent for responsible waste management. Trained professionals from Techeco E-waste Management will oversee the collection process and ensure that the electronic waste is recycled or disposed of responsibly. This will be a valuable lesson for all participating students towards sustainable environmental protection.

5TH JUNE

10TH INTERNATIONAL YOGA DAY

Embarking on a journey of wellness, Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) proudly celebrated the 10th International Yoga Day this year, turning our campus into a serene sanctuary of mindfulness. Under the expert guidance of certified yoga artists, our students delved deep into the practice of yoga, embracing harmony, balance, and tranquillity. From sunrise salutations to evening meditations, every moment was a step towards holistic well-being. Here are a few glimpses of the holistic celebrations.

21ST JUNE 2024

TWO DAYS NATIONAL WORKSHOP ON CARE MANAGEMENT & HANDLING OF LABORATORY ANIMALS

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) completed a two-day National Workshop on Care, Management, and Handling of Laboratory Animals, on the 5th and 6th July, 2024. This workshop provided a platform for exchange of knowledge and skill-enhancement in the ethical management of laboratory animals.

Participants engaged in Insightful sessions on handling laboratory animals, expert talks on ethical considerations, hands-on training on various routes of drug administration. A big thank you to all our speakers, participants, and organising team for making this event a grand success.

5TH & 6TH JULY

IMPLEMENTATION OF NATIONAL EDUCATION POLICY- NEP CONNECT

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) organised a one-day workshop on the Implementation of the National Education Policy-2020 (NEP-Connect), sponsored by Savitribai Phule Pune University (SPPU) under the Quality Improvement Scheme. The workshop aimed to educate students, parents, and staff about NEP-2020's roles and outcomes.

Dr. Sunil Joshi, a professor at Bhonsala Military College, highlighted India's educational traditions, reforms, and the NEP's impact. He enlightened the participants on how the NEP promotes holistic and multidisciplinary education, equitable access, and the crucial role of teachers in mentoring students. The workshop proved to be knowledgeable for all participants.

6TH JULY 2024

POOL CAMPUS DRIVE IN COLLABORATION WITH MACLEODS PHARMACEUTICALS

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) successfully organised a Pool Campus Drive in collaboration with Macleods Pharmaceuticals on 10th July, 2024. The drive aimed to fill various positions in departments including Quality Control, Quality Assurance, Production, Fermentation, and Store.

334 candidates from different colleges participated in the campus drive, showcasing a strong interest and diverse background among applicants. After a rigorous selection process, 58 candidates emerged successful and were offered positions at Macleods Pharmaceuticals. 16 of the 58 candidates were selected from SIPS. We congratulate all the students placed through this campus placement drive and wish them the best of luck for a bright future ahead.

10TH JULY 2024

THE CPCSEA TEAM VISITS SANDIP INSTITUTE OF PHARMACEUTICAL SCIENCES

The CPCSEA Team visits Sandip Institute of Pharmaceutical Sciences on 10th July, 2024 involves outlining overall experience of the visit, its significance for the college. Summarize the key observations made by the CPCSEA team, including

- » Compliance with ethical standards.
- » Condition of animal housing and care.
- » Research practices observed.

ONE-WEEK SWADES SOFT SKILL & APTITUDE TRAINING PROGRAM

The Department of Pharmaceutics at Sandip Foundation's Sandip Institute of Pharmaceutical Science (SIPS) is thrilled to announce the successful completion of the One-Week Swades Soft Skill & Aptitude Training Program, held in collaboration with Global Talent Track, Pune, from 8th to 13th July, 2024.

Participants engaged in a comprehensive curriculum covering grooming, body language, confident speaking, group presentations, goal setting, time management, group discussions, aptitude in verbal ability and reasoning, resume crafting, mock interviews, and career guidance. It was an enlightening and engaging training program for all participants.

ALUMNI GUEST LECTURE

On July 19, 2024, the Sandip Institute of Pharmaceutical Sciences, Sandip Foundation, Mahiravani, Nashik, had the honor of hosting a guest lecture by Mr. Amrut Khaire an esteemed alumnus of SIPS working in the Cellular Cancer Center, Nashik. The lecture, titled "Clinical Research and Oncology Department," was attended by the B.Pharm final year students, who were eager to gain insights from an expert in the field. The event commenced with a warm welcome and introduction by our Principal Dr.L.B. Borse Sir who highlighted Mr. Khaire's significant contributions to oncology and clinical research. Mr. Khaire began his lecture by providing a comprehensive overview of the current landscape of clinical research, emphasizing its importance in the development of new therapies and treatments in oncology

LOKMANYA BAL GANGADAR TILAK JAYANTI

On July 23, 2024, Sandip Institute of Pharmaceutical Sciences (SIPS), Sandip Foundation, Mahiravani, Nashik, organized an event to celebrate the birth anniversary of Lokmanya Bal Gangadhar Tilak. The program commenced with a Sarasvati Puja, signifying the auspicious start of the event and invoking blessings for wisdom and knowledge. The Principal of SIPS, Dr. L.B. Borse Sir, addressed the gathering, highlighting the importance of remembering and honoring great leaders like Tilak. He emphasized Tilak's role in the Indian independence movement and his impact on shaping the nation's identity. Students from S. Y, T. Y and Final year B.Pharm delivered speeches, each focusing on different aspects of Tilak's life and legacy. They spoke about his efforts in promoting Swadeshi (self-reliance), his role in the freedom struggle, and his contributions as a journalist and social reformer. The students' speeches were both informative and inspiring, reflecting their deep respect for Tilak's ideals.

WEBINAR ON INFORMATION ON VARIOUS SCHOLARSHIP SCHEMES IMPLEMENTED BY HIGHER AND TECHNICAL EDUCATION FOR THE BENEFIT OF STUDENTS

On 25th July 2024, an enlightening and informative interactive webinar session was conducted by Department of Higher and Technical Education on information on various scholarship schemes implemented by higher and technical education for the benefit of students. The webinar commenced with a warm welcome by the moderator, emphasizing the importance of scholarships in enabling students to achieve their academic goals. The Hon. Minister provided an insightful overview of the government's commitment to supporting education through numerous scholarship schemes.

POOL CAMPUS DRIVE IN COLLABORATION WITH IPCA LAB

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) organised a pool campus drive in collaboration with IPCA Lab, Gujarat on 26th July, 2024. 64 candidates from various colleges participated in the interviews for the positions of Production and IPQA. We are pleased to announce that 10 candidates were selected for these roles. Congratulations to the selected candidates, and many thanks to everyone involved in making this event a success!

NAAC PEER TEAM VISIT TO SIPS, NASHIK.

The NAAC committee's visit to Sandip Foundation on 9th August, 2024 was marked by a cultural program organised by Sandip Institute of Pharmaceutical Sciences (SIPS). The program was graced by Hon'ble Chairman of Sandip Foundation, Dr. Sandip Jha, as Chief Guest along with the distinguished members of the NAAC committee. The event was a glorious success as it paved the way towards continued collaboration and educational excellence at Sandip Foundation.

INDEPENDENCE DAY

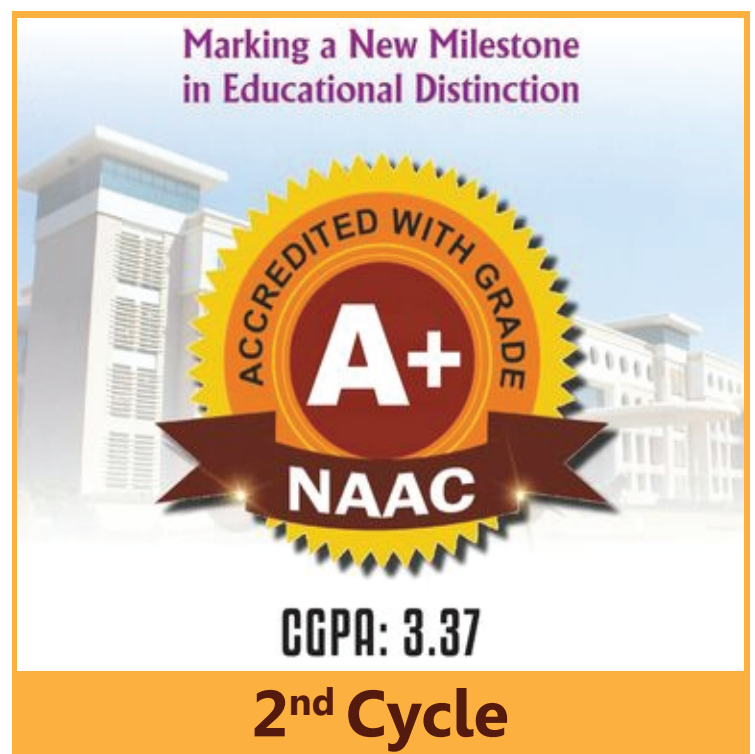

We celebrated the 78th year of our nation's independence from the British Raj with joy, festivities, and a thumping sense of patriotism. This day reminds us of the bravery and sacrifice of our national heroes who played an important role in getting us freedom. Let us resolve to maintain the unity and integrity of our country and work to make our nation even stronger and prosperous.

Creating a distinctive benchmark for exceptional education is something we excel at! Sandip Foundation's Sandip Institute of Pharmaceutical Science (SIPS) has received "A+ Grade" with CGPA 3.37 from the National Assessment Accreditation Council (NAAC). SIPS is now the first institute under Sandip Foundation to receive "A+ Grade" from NAAC.

This monumental achievement can only be chalked up to our determination to provide the best education to our students through academic excellence, innovative teaching, and comprehensive student development.

Sandip Foundation is eternally grateful for the immense and incomparable dedication displayed by our faculty, staff members, and stakeholders towards our institutions. We remain forever committed towards striving for bigger and better advancements in education, year after year. Bravo!

AN ORIENTATION AND CAREER INITIATION PROGRAM

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) organised an Orientation and Career Initiation Program designed to equip final-year students with crucial knowledge and tools for their transition from academia into the professional world. The session was conducted by Mr. Nitesh Mankar, Sandip Foundation's Central Training and Placement officer.

This session aimed to offer insights into career opportunities, current job market trends, and essential professional skills. Additionally, the Training and Placement (T&P) policies of the institute were shared with the students, providing them with a clear understanding of the placement process and available support services. Students made the most of this valuable opportunity to prepare for their future career.

NATIONAL SPORTS DAY

In India Every year "National Sports Day " is celebrated on 29th of August on the Birth anniversary of Major Dhyan Chand Major Dhyan Chand was an Indian field hockey player, regarded by many as the greatest field hockey player in history. He was known for his extraordinary ball control and goal-scoring feats, in addition to earning three Olympic gold medals, in 1928, 1932 and 1936, during an era where India dominated field hockey. On 29th August 2023 Tuesday, Sandip Institute of Pharmaceutical Sciences, Mahiravani, Nashik celebrated "National Sports Day". The program began with a lamp lighting ceremony. Principal Dr. L.B. Borse sir addressed to staff and students about the importance of Sports in our life. Principal Dr. Laxmikant B. Borse has told Biography of Major Dhyan Chand he is called the "Hockey Wizard" due to his excellent control over the ball. Major Dhyan Chand announced his retirement from hockey in the year 1948. He had scored more than 400 goals in his international career. The Government of India awarded him the Padma Bhushan, the third highest civilian honour, in the year 1956. Sutherland was known in the 20th century as the "Father of Hockey" for his tireless work administering and promoting the game. The native of Kingston, Ontario, was born in 1870, three years after the birth of Canada as a nation. With three Olympic gold medals, he was the poster boy of Indian hockey for decades. Dhyan Chand's birthday is celebrated as National Sports Day in India.

ONE DAY WEBINAR ON TIPS AND TRICKS TO CRACK COMPETITIVE EXAMS

Sandip Institute of Pharmaceutical Sciences, Nashik, organized a one-day webinar on Tips and Tricks to Crack the GPAT, NIPER and Drug Inspector Exam on 02/09/2024 for final-year B. Pharm. students. Ms. Ranjana Jain, Assistant Manager in Formulation Development- Novel Drug Delivery System was invited to this webinar. At the beginning of the session, Principal Dr. L. B. Borse welcomed Ms. Ranjana Jain and gave information about the Institute and the interest of students in the GPAT exam. After that, Dr. Ganesh Shevkar (GPAT co-ordinator) introduced Ms. Ranjana Jain to the participants. After an introduction, Ms. Ranjana Jain shared his expertise and views on the GPAT Exam. In her one-hour talk, Ms. Ranjana Jain interacted with students regarding the preparation for the GPAT, NIPER and Drug Inspector Exam and discussed the importance and various opportunities after qualifying these exams. During this interaction, students have also clarified their doubts about these exam and showed interest in the session. Near about 70 students have benefitted from this program. Mr. Ganesh Lad concluded the session with a vote of thanks.

INVESTOR AWARENESS PROGRAMME

The Investor Awareness Programme conducted on 2nd September 2024 aimed to bridge the knowledge gap between theoretical pharmaceutical education and practical financial management. Dr. Ravi Ahuja, Assistant Professor at the Skills Development Centre, SPPU, was the key resource person for the event. His expertise in financial planning and investment strategies offered a comprehensive overview of the subject matter. The online format of the programme, facilitated via Google Meet, allowed for interactive discussions and real-time engagement. Under the coordination of Mr. Shankar S. Yelame from Sandip Institute of Pharmaceutical Sciences, Nashik, the session was conducted seamlessly, ensuring that students could benefit from the knowledge shared and apply it to their personal and professional lives. The programme successfully increased participants' awareness and understanding of financial management, highlighting its importance in their future careers.

**02ND SEPT
2024**

TEACHERS DAY

Students of Sandip Institute of Pharmaceutical Sciences have celebrated Teachers' Day on 5th September 2024. Event began with Saraswati Poojan and Lamp Lightening ceremony followed by Ganeshvndana. Student council members felicitated Principal Prof (Dr.) Laxmikant B. Borse sir followed by all Teaching and Non-Teaching staff members. Then Principal sir addressed students and shared his views to become successful Pharmacy Professional, he appreciated students who are doing good in curriculum. Sir emphasized on holistic development of students. On this auspicious occasion some students expressed their gratitude towards Teachers by speeches and poems In this event Principal sir felicitated the students who did best in various cultural programs. In the end anchors announced the most awaited names of winners of Best Teacher – Boy i.e. Master Pranav Shinde (Final Year B. Pharm) and Best Teacher – Girl i.e. Ms. Tejaswini Daund (S.Y. M. Pharm); both were felicitated by guests.

MOU WITH YASHASWI ACADEMY FOR SKILLS ,PUNE

We are pleased to announce the signing of a Memorandum of Understanding (MoU) between Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS), Nashik, and Yashaswi Academy for Skills, Pune. This collaboration will provide valuable On-the-Job Training (OJT) for B.Pharm. students and project assistance for M.Pharm. students. It also enhanced placement opportunities. We look forward to the positive impact this partnership will have on our students' professional development and career growth.

GUEST LECTURE ON CAREER GUIDANCE

Event/Activity Report: Sandip Institute of Pharmaceutical Sciences, Nashik, organized a guest lecture on "Career and Industry Platforms for B. Pharmacy Students" on September 9, 2024, for third and final-year B. Pharm students. Mr. Sandeepkumar Patle, Assistant Manager in the Biopharmaceutical Industry, Pune, was invited as the speaker. At the beginning of the session, Principal Dr. L. B. Borse welcomed Mr. Sandeepkumar Patle and provided an overview of the institute and the students' interest in competitive exams. Following this, Dr. Ganesh Shevalkar, Competitive Exams Coordinator, introduced Mr. Sandeepkumar Patle to the participants. After the introduction, Mr. Sandeepkumar Patle shared his expertise and insights on career and industry platforms. During his one-hour talk, he interacted with students regarding preparation for the GPAT, NIPER, and Drug Inspector exams, discussing the importance and various opportunities available after qualifying for these exams. Students clarified their doubts about these exams and showed keen interest in the session. Approximately 150 students benefited from this program. Dr. Ganesh Shevalkar concluded the session with a vote of thanks.

GUEST LECTURE ON COMMUNICATION SKILLS

Sandip Institute of Pharmaceutical Sciences organized Guest lecture on Communication Skills. Featuring Mr. Nitesh Mankar as the speaker. The session aimed to equip students with the necessary skills to excel in professional settings. Mr. Mankar likely emphasized the importance of effective communication in various forms, including verbal, written, and nonverbal communication. Key areas covered might have included active listening and empathy, clarity of ideas, audience awareness, teamwork, and body language. Overall, the communication skills session organized by Sandip Institute of Pharmaceutical Sciences, led by Mr. Nitesh Mankar, offered valuable insights to students, empowering them to become more effective Communicators in their future.

GUEST LECTURE BY ALUMNI

On 12th September 2024, Sandip Institute of Pharmaceutical Sciences, Sandip Foundation, Mahiravani, Nashik, hosted an informative online guest lecture titled "Service Industry Sales Operations Process," delivered by Ms. Dhanashree Khalane, an esteemed alumna. This session was attended by the B.Pharm final year students, offering them valuable insights into the sales operations that are fundamental to the service industry. The event commenced with an introduction and welcomed Ms. Khalane and provided a brief overview of her professional achievements. Ms. Khalane started her session by explaining the essential components of sales operations, highlighting how they differ from product-based industries and focusing on service-based sales. Her presentation delved into the intricacies of managing sales teams, ensuring process efficiency, and utilizing technology to streamline sales efforts. She illustrated her talk with examples from her own experience, providing students with knowledge of how sales operations drive success in the service industry.

12TH SEPT 2024

GANESH IDOL COLLECTION EVENT

Sandip Institute of Pharmaceutical Sciences, Nashik, organized a Ganesh Idol Collection event on 17th September 2024, coinciding with the Ganesh Visarjan festival. This initiative aimed to mitigate pollution in local rivers caused by the immersion of idols made from non-biodegradable materials. Prof. Shankar Yelmame coordinated the event, gathering 50 enthusiastic NSS volunteers at the Naroshankar Temple, Godavari Ghat, Panchvati. The event began with an introduction highlighting the significance of eco-friendly practices during the festival. Prof. Yelmame emphasized the role of the community in preserving the environment. Participants were guided on how to properly dispose of the idols, and collection points were established. The volunteers actively engaged with the community, providing information about the harmful effects of traditional idol materials and promoting the use of eco-friendly alternatives.

LINKEDIN CAREER STARTER WORKSHOP

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) organised a LinkedIn Career Starter workshop in association with FacePrep. The workshop aimed to enhance students' career prospects through effective LinkedIn profiling and networking strategies. The students of B.Pharm and M.Pharm are benefited from expert-led sessions. This initiative reinforces SIPS's commitment to fostering industry-ready professionals.

4TH NATIONAL PHARMACOVIGILANCE WEEK

'Sandip Institute of Pharmaceutical Sciences, Nashik successfully celebrated the 4th National Pharmacovigilance Week from 17th to 23rd September 2024. The theme of this year's event was "Building ADR Reporting Culture for Patient Safety," focusing on raising awareness about the importance of Adverse Drug Reaction (ADR) reporting. Throughout the week, a series of engaging activities, guest lectures, and competitions were organized to enrich the knowledge and skills of students and faculty. Students actively participated in the debate, quiz, and elocution competitions, exploring key topics in ADR reporting. The event concluded with an ADR Reporting Awareness Program in Jategaon, where students raised community awareness on the importance of ADR reporting and the dangers of self-medication.

NATIONAL SERVICE SCHEME DAY

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) celebrated National Service Scheme Day! Our Principal, Dr. L. B. Borse, emphasised that the NSS program aims to foster a sense of involvement in nation-building through community service. Students actively participated in a slogan and poster competition, addressing vital topics like organ donation and the future of pharmacy. A cleanliness drive and a tree plantation programme were organised to give back to the community. The celebrations proved to be a combination of awareness, student participation in community service, and immense fun!

25TH SEP 2024

WORLD PHARMACISTS DAY

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) celebrated World Pharmacist Day by organising a Health Awareness Rally that focused on key topics such as awareness of generic medicines, the role of clinical pharmacists in patient counselling, strategies to rise above addiction, and the importance of Current Good Manufacturing Practices (CGMP). SIPS also hosted a guest lecture on the role of pharmacists in society. Together, we are empowering our community to promote healthier lives and ensure safe, effective healthcare for all.

THE AVISHKAR COMPETITION

Sandip Foundation's Sandip Institute of Pharmaceutical Sciences (SIPS) conducted the annual institute-level Avishkar competition to promote innovative research and scientific projects among students. This platform encourages research in pharmaceutical sciences, biotechnology, healthcare, and interdisciplinary fields, fostering a culture of inquiry and research. Participants presented projects through posters or oral presentations, with winners advancing to higher levels like university or state-level competitions. The Avishkar competition is an exercise in promoting research-based education and talented professionals in pharma.

INDIAN KNOWLEDGE SYSTEM ANCIENT WISDOM FOR A MODERN WORLD

India is home to one of the oldest and most comprehensive knowledge systems in the world. From the time-honored traditions of Ayurveda and Yoga to ancient treatises on astronomy and mathematics, the Indian Knowledge System (IKS) is a treasure trove of scientific, spiritual, and philosophical insights that continue to inspire modern thought. This blog delves into the key aspects of the Indian Knowledge System, its relevance today, and how it can contribute to solving contemporary challenges.

What is the Indian Knowledge System?

The Indian Knowledge System refers to the cumulative body of knowledge that has been passed down through centuries in areas such as

- » **Philosophy and Spirituality:** The Vedas, Upanishads, and Bhagavad Gita explore the nature of reality, consciousness, and ethics.
- » **Science and Mathematics:** Ancient Indian scholars made significant contributions in fields such as astronomy (Aryabhata), mathematics (Brahmagupta), and medicine (Charaka and Sushruta).
- » **Language and Literature:** Sanskrit, one of the oldest languages, served as a medium for scientific discourse, literature, and philosophical inquiry.
- » **Health and Wellness:** Systems like Ayurveda and Yoga, based on the principles of balance and harmony, continue to promote holistic health.
- » **Architecture:** One of the most prominent contributions of the Indian Knowledge System to architecture is VastuShastra, an ancient Indian science of architecture and spatial design. VastuShastra provides guidelines for designing and building spaces—whether homes, temples, or cities—such that they harmonize with the natural elements and cosmic forces. These systems were deeply interconnected, reflecting a holistic approach to understanding life and the universe.

Dr. Marina D'Souza
IQAC Coordinator

Key Pillars of the Indian Knowledge System

- » **Ayurveda: The Science of Life:** "Ayurveda", the traditional system of medicine, is one of the world's oldest healthcare systems, focusing on maintaining balance in body, mind, and spirit. Ayurveda emphasizes prevention and wellness rather than just treatment of diseases. Ayurveda's principles of Doshas (Vata, Pitta, Kapha) and the concept of Prakriti (constitution) offer personalized approaches to health and healing, making it increasingly relevant in today's age of personalized medicine.
- » **Yoga: The Union of Mind and Body:** Yoga, another integral part of the Indian Knowledge System, is a practice that integrates physical postures (Asanas), breathing techniques (Pranayama), and meditation (Dhyana) to promote mental clarity and physical health. In recent decades, Yoga has gained international recognition for its ability to reduce stress, improve flexibility, and enhance overall well-being. The "International Day of Yoga" observed worldwide is a testament to its global significance.
- » **Indian Astronomy and Mathematics:** India's contributions to astronomy and mathematics are profound. The "concept of zero" and "decimal system" were first introduced by Indian mathematicians like Aryabhata and Brahmagupta, laying the foundation for modern mathematics. In astronomy, texts like Surya Siddhanta offered advanced calculations of planetary motion, eclipses, and the positions of celestial bodies, long before similar ideas emerged in Europe.
- » **Philosophy and Spirituality:** India's philosophical traditions, particularly Vedanta, Samkhya and Buddhism, have deeply influenced not only spiritual discourse but also modern psychology, ethics, and metaphysical thought. Concepts like Karma, Dharma, and Moksha offer profound insights into the nature of human existence, purpose, and morality. These ideas are still relevant today as they address the perennial questions of life, death, and the search for meaning.
- » **Indian Architecture and Engineering:** Ancient Indian architecture, as seen in the Indus Valley Civilization, temple architecture like the ones in Khajuraho, and irrigation systems, reflects advanced knowledge of engineering, mathematics, and aesthetics. The "VastuShastra", the traditional Indian system of architecture, focuses on designing spaces that harmonize with nature.

Key Pillars of the Indian Knowledge System

Despite its ancient roots, the Indian Knowledge System holds immense relevance in the contemporary world.

- » **Sustainable Living:** Traditional Indian knowledge promotes harmony with nature, whether through sustainable agricultural practices, medicinal plants, or eco-friendly architecture. This can provide valuable insights into tackling modern environmental challenges.
- » **Holistic Health:** With the growing popularity of alternative medicine, systems like Ayurveda and Yoga are being recognized for their potential in treating chronic illnesses, mental health issues, and improving overall well-being.
- » **Ethical Governance and Leadership:** Indian philosophical traditions emphasize ethics, governance, and leadership principles. The ideas from texts like the **“Arthashastra”** and **“Bhagavad Gita”** can contribute to the development of ethical leaders and socially responsible governance models today.

Challenges in Reviving and Integrating the Indian Knowledge System

While the Indian Knowledge System offers valuable insights, several challenges must be addressed for its integration into modern systems:

- » **Documentation and Preservation:** Much of the traditional knowledge was passed down orally and remains undocumented. Efforts are needed to digitize and catalogue these teachings to prevent them from being lost.
- » **Standardization:** There’s a need to scientifically validate and standardize certain practices (e.g., Ayurvedic treatments) to ensure safety and efficacy in modern applications.
- » **Bridging the Gap with Modern Science:** Integrating the IKS with modern scientific knowledge requires collaboration across disciplines and acceptance from the global scientific community

Conclusion: The Way Forward

The Indian Knowledge System is a vast reservoir of wisdom that continues to inspire global advancements in health, science, and spirituality. By rediscovering and integrating this ancient wisdom into modern practices, we can create more sustainable, balanced, and ethical ways of living. Reviving its traditional knowledge systems, backed by modern science, can be a step towards building a more inclusive and resilient society. The Indian Knowledge System is not merely a relic of the past but a beacon that can illuminate the path to the future.

THE FUTURE OF PHARMACY TRENDS AND INNOVATION

The pharmacy landscape is transforming rapidly, driven by technological advancements, shifting patient needs, and evolving healthcare policies.

HERE ARE KEY TRENDS AND INNOVATIONS SHAPING THE FUTURE OF PHARMACY: TRENDS

- » **Digital Health:** Telepharmacy, mobile health apps, and electronic health records improve access and coordination
- » **Personalized Medicine:** Pharmacogenomics and precision medicine optimize treatment efficacy.
- » **Value-Based Care:** Pharmacists play key roles in population health management and cost-effective care.

Prof. Amit Gaikwad
H.O.D, D.Pharm

INNOVATIONS

- » **Robotics and Automation:** Automated dispensing systems and robotic assistants enhance efficiency.
- » **Artificial Intelligence (AI):** AI-powered clinical decision support systems improve medication safety.
- » **3D Printing:** Customized medications and implants revolutionize patient-specific care

THE EVOLVING ROLE OF PHARMACISTS

- » **Clinical Pharmacists:** Integrated into healthcare teams, providing comprehensive medication management.
- » **Pharmacy Informaticists:** Designing and optimizing healthcare information systems.
- » **Public Health Pharmacists:** Leading disease prevention and health promotion initiatives.

Key Takeaways: - Pharmacists will play increasingly important roles in healthcare teams. - Technology will enhance medication safety, efficiency, and patient engagement. - Personalized medicine will optimize treatment outcomes.

Conclusion: The future of pharmacy is exciting and dynamic. Embracing trends and innovations will enable pharmacists to deliver high-quality, patient-centered care.

संदीप फाउंडेशन फार्मसीमध्ये अंतिम वर्षाच्या विद्यार्थ्यांचा समारोप समारंभ

नाशिक : प्रतिनिधी

महिरवणी येथील संदीप फाउंडेशन संचालित संदीप इन्स्टिट्यूट ऑफ फार्मस्युटिकल सायन्सेस या महाविद्यालयात दि. ३० एप्रिल रोजी पदविका, पदवी आणि पदव्युत्तर आध्यसक्रमाच्या अंतिम वर्षाच्या विद्यार्थ्यांचा समारोप समारंभ पार पडला. दीपप्रज्वलन करून कार्यक्रमास सुरुवात झाली. विद्यार्थ्यांनी विविध मनोरंजक खेळ आणि कला सादर केल्या. विद्यार्थ्यांनी महाविद्यालयाबद्दल आपले मनोगत व्यक्त केले व जुन्या आठवणींना उजाळा देत आभार व्यक्त केले.

महाविद्यालयाचे प्राचार्य डॉ. लक्ष्मीकांत बोरसे यांनी आपल्या मनोगतात सांगितले की, म्हणजे आयुष्याचा शेवट नाही. आपण कोणाशिवाय किती दृढपणे जगतो याची ती पहिली पायरी आहे. महाविद्यालयीन जीवनात विद्यार्थ्यांवर चांगले संस्कार होत असतात. यामध्ये पालक आणि शिक्षक यांचे महत्त्वाचे योगदान असते, असे सांगत विद्यार्थ्यांचे मनोबल वाढवले. तुम्ही विद्यार्थ्यांचा एक मोठा गट आहात ज्यांनी केवळ महाविद्यालयाच्या नावलौकिकात योगदान दिले आहे. जेव्हा तुम्ही आयुष्यात काही नवीन करता तेव्हा तुम्ही अयशस्वी होऊ शकता. परंतु नेहमी लक्षात ठेवा की, अपयशाने निराश होऊ नका आणि नेहमी त्यातून शिका. या महाविद्यालयाचे दरवाजे तुम्हा सर्वांसाठी सदैव खुले आहेत. अनेक विद्यार्थ्यांना महाविद्यालयाच्या ट्रेनिंग व प्लेसमेंट विभागातर्फे नोकरीच्या संधी मिळाल्या आहेत, असे नमूद केले.

प्राचार्य डॉ.लक्ष्मीकांत बोरसे, डॉ.सुनील जोशी यांना सन्मान चिन्ह व पुष्पगुच्छ देऊन स्वागत करण्यात आले.

माशिक, महाराष्ट्रचे नैतिक येथील संदीप फाउंडेशन संचालित संदीप इन्स्टिट्यूट ऑफ फार्मास्युटिकल सायन्सेस या महाविद्यालयात 6 जुलै रोजी सारथीकॉलेज फुले पुणे विद्यापीठ पुरस्कृत राष्ट्रीय शैक्षणिक धोरण (NEP) कनेक्टच्या अमिलब्रह्मचारीकर एक दिवसीय कार्यशाळेचे आयोजन करण्यात आले होते. श्रीमंत भिल्लवटी कॉलेजचे प्राध्यापक डॉ. सुनील जोशी यांना निमंत्रित करण्यात आले होते. NEP-2020 च्या भूमिका आणि परिणामाबद्दल विद्यार्थी, पालक आणि कर्मचारी यांचे शिक्षण करणे हे कार्यशाळेचे उद्देश होते या कार्यशाळेचे प्राचार्य, पालक व शिक्षक उपस्थित होते. प्राचार्य डॉ. लक्ष्मीकांत बोरसे यांनी डॉ.सुनील जोशी यांचा सन्मान चिन्ह व पुष्पगुच्छ देऊन स्वागत करताना कार्यशाळेची प्रस्तावना

केली. डॉ. सुनील जोशी यांनी भारताच्या शैक्षणिक परंपरेत, सुशिक्षण आणि NEP चे परिणाम यावर प्रकाश टाकला. NEP सार्वजनिक आणि बहुविधतावादी शिक्षण, समान प्रवेश आणि विद्यार्थ्यांचे मार्गदर्शन करण्यात शिक्षकांची महत्त्वपूर्ण भूमिका कमी प्रोत्साहन देते यावर त्यांनी शब्द केले.

प्रा. डॉ.एच्छरी तळेले हे या कार्यशाळेच्या सभागृहस्थ होत्या त्यांनी पाहण्याची अडथळी करून देताना कार्यशाळेचे उद्देश स्पष्ट केले, कार्यशाळेच्या नियोजनाकरता प्रा.डॉ.स्वामी तळेले, प्रा.हेमंत पिछले, प्रा.अशोक रावकरबाबू, प्रा.शेख भर्दि, डॉ.रवींद्र पाटील, पारलसी रावत, कल्पेश खैरे व इतर शिक्षक व कर्मचारी यांनी मेहनत घेतली.

डॉ.सुनील जोशी उपनिचयांसाठी सजवट साधतात.

दैनिक
महाराष्ट्र सारथी

संदीप फाउंडेशन फार्मसी कॉलेजमध्ये एनिमल हँडलिंग अँड केअर वर दोन दिवशीय राष्ट्रीय कार्यशाळा संपन्न

डॉ.महाचंद्र सारथी वृत्तसेवा नाशिक । प्रतिनिधी :

येथील संदीप फाउंडेशन संचालित संदीप इन्स्टिट्यूट ऑफ फार्मास्युटिकल सायन्सेस या महाविद्यालयात 4 जुलै ते 6 जुलै 2024 या काळात प्राण्यांची देखभाल, व्यवस्थापन आणि हाताळणी या विषयावर दोन दिवसीय राष्ट्रीय कार्यशाळेचे यशस्वी आयोजन करण्यात आले. फार्माकॉलॉजी विभागाच्या मार्गदर्शनाखाली आयोजित या कार्यशाळेत विविध राज्यातील शिक्षक आणि विद्यार्थी सहभागी झाले होते.

कार्यक्रमाचे उद्घाटन WNS स्लोव्हेन नाशिकच्या एचआर व्यवस्थापक श्रीमती रुची शर्मा यांच्या हस्ते झाले. त्यांनी विद्यार्थ्यांचे स्वागत केले आणि या कार्यशाळेचे महत्त्व अधोरेखित केले. आपल्या भाषणात श्रीमती शर्मा यांनी प्रयोगशाळेतील प्राण्यांच्या देखभालीसाठी प्रत्यक्ष प्रशिक्षणाचे महत्त्व स्पष्ट केले. प्राचार्य डॉ.एल.बी.बोरसे यांनी विविध टिकाणींहुन आलेल्या

विद्यार्थ्यांचे आभार मानले आणि व्यावहारिक कौशल्ये आणि नैतिक समज वाढवण्यासाठी या कार्यशाळेचे महत्त्व अधोरेखित केले. कार्यशाळेच्या पहिल्या दिवशी डॉ. सरीका कांबळे यांनी CPCSE- (प्राण्यांवरील प्रयोगांच्या नियंत्रण आणि देखरेखीच्या उद्देशाने समिती) मार्गदर्शक तत्वांचा सविस्तर सैद्धांतिक आढावा दिला. डॉ. कांबळे यांच्या सादरीकरणाने सहभागीना प्राण्यांच्या वापरातील नैतिक आणि नियामक बाबींची सखोल समज मिळाली, मानवतेच्या वागणुकीची आणि स्थापित प्रोटोकॉलचे पालन करण्याचे महत्त्व अधोरेखित केले. त्यानंतर, डॉ. श्रीनिवास नांदियाला यांनी औषध प्रशासनादरम्यान डोसची गणना

या विषयावर सखोल सत्र घेतले. या सत्राने सुरक्षितता आणि प्रभावीता सुनिश्चित करण्यासाठी अचूक डोसिंगच्या आवश्यकतेवर महत्त्वपूर्ण ज्ञान दिले.दुसऱ्या दिवशी विद्यार्थ्यांना फार्माकॉलॉजी लॅबमध्ये ऑनिन बाध तंत्रज्ञानाचे प्रात्यक्षिक दाखवण्यात आले.

या व्यावहारिक सत्राने सहभागीना प्रयोगात्मक सेटअपमध्ये ऑनिन बाधच्या वापराचे व्यावहारिक पैलू पाहण्याची आणि समजूत घेण्याची संधी दिली. त्यांच्या सैद्धांतिक ज्ञानास व्यावहारिक अनुभवदान अधिक दृढ केले.दुसऱ्या दिवशीही सुरुवात डॉ. शंका कोसलम, डॉ. अमन सुरेश टी आणि श्री. गणेश लाड यांनी प्राण्यांच्या हाताळणी तंत्रांचे

सविस्तर प्रात्यक्षिक दाखवून घेतले. या सत्राने सहभागीना प्राण्यांची योग्य पद्धतीने हाताळणी शिकण्यास मदत घेतली, ज्यामुळे तणाव कमी होतो आणि प्राण्यांच्या कल्याणाची खात्री होते.

श्री. गणेश लाड यांनी विशेषतः सत्रांचे हाताळणीचे प्रात्यक्षिक दाखवले, तर डॉ. सरीका कांबळे यांनी विविध रक्त संकलन तंत्रे समजावून सांगितली, ज्यामुळे या आवश्यक प्रक्रियांचे व्यापक समज मिळाले.समारोप सत्रात डॉ. शंका कोसलम आणि डॉ. अमन सुरेश टी यांनी उंदरांच्या शरीरातून विविध अवयव विलगीकरण पद्धतींचे प्रात्यक्षिक दाखवले. त्यांनी उंदरांच्या शस्त्रक्रियेच्या मूलभूत गोष्टी आणि तिचा फार्माकॉलॉजिकल संशोधनात उपयोग समजावून सांगितला, ज्यामुळे सहभागीना शस्त्रक्रिया तंत्रे आणि त्यांच्या प्रयोगात्मक अभ्यासातील प्रासंगिकतेचे मूल्यवान अंतर्दृष्टी मिळाल्या. समारोप सत्रात सहभागी

विद्यार्थ्यांना प्रमाणपत्रे प्रदान करण्यात आली, ज्यांनी सत्रांमध्ये हजेरी लावून सक्रिय सहभाग नोंदवला. या कार्यशाळेने आपले उद्दिष्टे यशस्वीरित्या पूर्ण केली, विद्यार्थ्यांमध्ये आणि शिक्षकांमध्ये सहयोग वाढवला, प्राण्यांच्या हाताळणी आणि देखभालीतील प्राविण्य सुधारले, आणि नैतिक आणि नियामक आवश्यकता अधिक चांगल्या प्रकारे समजावून दिल्या. या कार्यशाळेमुळे मूल्यवान ज्ञान आणि प्रत्यक्ष अनुभव मिळाला आणि प्राण्यांच्या कल्याणाची आणि संशोधनाची विश्वासार्हता सुनिश्चित करण्यासाठी उच्च मानकांची खात्री झाली. या कार्यक्रमाचे आंतरराष्ट्रीय संशोधनाची आणि फार्माकॉलॉजीमधील नैतिक पद्धतीसाठी वचनबद्धतेची भावना निर्माण केली. कार्यशाळेच्या यशस्वी नियोजनाकरिता शिक्षक व कर्मचाऱ्यांनी मेहनत घेतली.
